Please submit electronically, the entire application comprised of:

- Completed education/research fund application form.
- Brief resume/curriculum vitae, including educational background, professional nursing experience (employment history) and professional /volunteer activities.
- For **research fund application**: a brief summary of a research proposal outlining the purpose, methods, subject/population, ethical considerations, justified budget, letters of support and a list of references (7-10 pages). If available at the time of submission, provide documentation of ethics approval. Pro-tem approval is acceptable.
- For **educational fund application**: a brief essay (500-1000 words) in response to the following question: How will this educational endeavour contribute to my practice in gerontological nursing? In addition, a copy of the course outline from an academic calendar or copy of the course, seminar, workshop brochure, and if available, a copy of receipt of registration and copy of acceptance, may be sent in the mail to:

Chair, Education and Research Award Committee
Gerontological Nursing Association Ontario
P.O. Box 368 Postal Station 'K'
