

COVID OR NOVID?

MITIGATING THE IMPACT OF SOCIAL DISTANCING ON FRAIL SENIORS IN THE COMMUNITY THROUGH PROACTIVE SCREENING

Guest Speaker:

Dr. George Heckman

will share his experiences with screening initiatives to identify older adults at risk of negative social and health consequences during the pandemic using the standardized interRAI COVID-19 Vulnerability Screener. Results from over 1,000 assessments during the first wave will be shared as well as lessons learned from working with community support services, primary care, and specialized geriatric services to generate an integrated response to the needs of older adults during the pandemic
